Welcome

Dear Colleagues

On behalf of the Military Medical Academy, it gives us a great pleasure to welcome you to GastroMilitary 2018; our 1st Gastroenterology, Hepatology and Therapeutic Endoscopy Post-Graduate Course on 3-5 May, 2018 at Tolip Golden Plaza Hotel in Cairo, Egypt.

Join us in GastroMilitary 2018, where over three days, nine international leading experts and most of the national experts in the field will review recent advances across the spectrum of gastroenterology, Hepatology and therapeutic endoscopy.

The course includes two tracks; clinical track and Nursing track.

A. The clinical track: includes three courses
1. The Knowledge update course: in the form of key updates presentations by nationally and internationally recognized guest speakers on Gastroenterology, Hepatology.

The aim of this course is to foster the attendant use of the modern best available evidence for a spectrum of liver and gastrointestinal problems.

2. Live Demonstration Endoscopy Course: that may include Lithotripsy, Biliary stent placement. EUS-Guided Fine needle aspiration; Celiac Plexus Neurolysis and Block & Cyst-Gastrostomy, Esophageal / Duodenal / Colonic Stenting, Endoscopic removal of large / complex gastrointestinal polyps with consideration of en bloc EMR or ESD, Balloon-Assisted enteroscopy (BAE) and Per Oral Endoscopic Myotomy (POEM).

The aim of this course is to foster the attendant's endoscopic decision making for the commonly encountered and controversial problems.

3. The hands on training course: that includes six stations (Gastroscopy, Colonoscopy, Hemostasis, Polypectomy, EMR and EUS-FNA). The training is performed using the latest mechanical and bio-simulators, which aid the participants to train in a human-like environment giving them insight of real time procedures.

The aim of this course is to foster the participant's endoscopic skills for the included procedure.

B. The Nursing track:

This one-day event includes a lecture course reviewing the care of liver and gastroenterology patient along with an endoscopy cleaning and disinfection workshop. A group of eminent national leaders will present the lectures alongside one international expert.

We are looking forward to see you there to interact with colleagues, exchange information and ideas, and get updated.

Sincerely,

Congress President

Ashraf Zaky
