Welcome

It is with great pleasure that we welcome you to the 1st Scientific and social gathering annual conference of Meet-Ghamr Oncology Center (MGOCC) & the 2nd Scientific & Social gathering annual conference of Mansoura Oncology Association (MOA).

In this event, we welcome our guest speakers and participants & we are delighted for hosting this conference at the center of Cairo on the banks of the Nile.

Among the major challenges facing the surgical and medical oncologists nowadays is rapid revolution in technology together with the multi-disciplinary approach in the management of the cancer breast and colo-rectal malignancies regarding the surgical considerations, Chemo-radiotherapy development of treatment regimens for cancers.

In Our conference we will try to introduce technology innovations & ensure the presence of experts in the breast & colo-rectal malignancies, interventional radiology, updated endoscopic & laparoscopic trends.

As you well know our meeting always emphasizes the social side, so all family members can mix work with pleasure.
