AUDIOVISUAL & SPEAKERS INSTRUCTIONS

We are honored by having you as one of faculty members in our congress and we hope to insure delivering of your presentation to the attendance in a perfect way.

The following guidelines are made to help us bringing this conference to perfection

- Please use a PC (IBM Compatible) not Apple Macintosh formats.
- Computers used in the conference are PCs loaded with Office 2013.
- Please use Microsoft PowerPoint XP or later version to prepare your presentation
- If your presentation includes movies, be sure to create a folder including your presentation & movie files or sound clips. This will insure that all the tools used to create the presentation are readily accessible on the show site.
- Please remember that your movies should be in MPEG1 format. AVI files might not work properly on all computers unless special codec is used. MOV is not a compatible format to be run inside PowerPoint.
- Codec player will be available in all computers serving the conference.
- Speakers are not allowed to use their personal laptops whatever the reason is. Strict rule are applied in this matter. Apple users must prepare a PC compatible CD or DVD loaded with their presentation(s).
- Only digital media is allowed as a tool to present data, namely CDs, DVDs, Flash memory &/or external hard drive. No 35mm physical slides are allowed. No video tapes. No Whiteboard. No Bluetooth mobile phones.
- Computers inside the lecture room are not connected to the internet.
- Speakers must handle their presentation **ONE** hour AT LEAST before beginning of the session, at **CHECK CORNER** in the lecture room, computers inside the lecture room are connected to local network so the presentation will appear automatically on the presenting equipment's.
- **The duration of the presentation is controlled digitally through computer software, thus we appreciate your understanding to stick to the dedicated time.**
- **If you are presenting a case:** kindly restrict to the allocated time and please note that it includes at least 3 minutes discussion.

Any extra minutes in the presentation will be deducted from the valuable discussion time
