STANDBY

Human leucocyte antigen typing for colonic carcinoma: is it worthwhile?
Dr. Yaser Ali (Mansoura University)

Concentration of Total Matrix Metalloproteinase-2 in the Serum of patients with colorectal cancer
Prof. Dr. Wael Khafagy (Mansoura University)

Scientific Program

13:30-14:30

Thursday August 3, 2006
--

**New Horizon in
The Management Of Functional Dyspepsia**

Abbott Symposium

Chairpersons:

Prof. Dr. Helmy Abaza
Prof. Dr. Yousry Taher

(Alexandria University)
(Alexandria University)

13:30-13:50 *Prof. Dr. Bahaa Abbas* (Military Medical Academy)

13:50-14:10 *Prof. Dr. Nabil Gad El-Hak* (Mansoura University)

14:10-14:30 Discussion

Scientific Program

14:30-15:30

**Thursday
August 3, 2006**

**BMS
Symposium**

New concepts in Chronic Hepatitis B

Prof. Dr. Gamal El-Ebeidy
Prof. Dr. Helmy Abaza
Prof. Dr. Ibrahim Mostafa
Prof. Dr. Yousri Taher

Scientific Program

15:30-17:15

Thursday
August 3, 2006

Liver Transplantation

Chairpersons:

Prof. Dr. Alaa Fayez	(Ain Shams University)
Prof. Dr. Farouk Ezzat	(Mansoura University)
Prof. Dr. Ibrahim Mostafa	(TBRI)
Prof. Dr. Mahmoud El-Metiny	(Ain Shams University)
Prof. Dr. Nabih A El-Ghawalby	(Mansoura University)

Moderator:

Prof. Mohamed Abdel-Wahab	(Mansoura University)
---------------------------	-----------------------

15:30-15:45 *Living-Donor liver transplantation for HCC. Can we go beyond melano criteria?*

Prof. Dr. Mahmoud El-Metiny (Ain Shams University)

15:45-16:00 *Experience with 120 Donors*

Prof. Dr. Alaa Fayez (Ain Shams University)

16:00-16:15 *Living-Donor liver transplantation introduction choice*

Prof. Dr. Mohamed El-Shobari (Mansoura University)

16:15-16:30 *Biliary complications of liver transplantation*

Prof. Dr. Tarek Salah (Mansoura University)

16:30-16:45 *Management of HCV & HBV recurrence in Living-Donor liver transplantation*

Prof. Drs. Ibrahim Mostafa, Rasha Refaie, Wael Safwat

16:45-17:00 *HCV recurrence or acute cellular rejection after LDLX*

Prof. Dr. Mohamed El-Saadany (Mansoura University)

17:00-17:15 *Cirrhosis in liver allograft without primary disease recurrence*

Prof. Dr. Moataz Seyam (TBRI)
