In the Egyptian city of Luxor, located right on the Nile River, the Steigenberger Nile Palace has its own boat dock. The Valley of the Kings and the famous Pharaoh's tombs lie on the other side of the river, about 26 km away. The international airport is about 13 kilometres away.

The 303 comfortable rooms and suites include either a balcony or terrace and offer views of the city, the courtyard, or the Nile and its surrounding mountains. Featuring air-conditioning, a flat-screen TV, telephone with voicemail and alarm clock, minibar and sitting area, you'll immediately feel at home in all of the rooms.
